LOCATION

Thornbury is located approximately 5 miles north of Junction 16 of the M5, near to the M4/M5 interchange and approximately 12 miles North of Bristol City Centre. Thornbury is an established market town which comprises a variety of local and national retailers and various leisure facilities providing services for the community.

DESCRIPTION

The subject property comprises two terraced industrial units with profile sheet clad elevations and metal frame window units. The property was originally constructed for use as two separate industrial units and was subsequently interlinked and converted to provide office accommodation over ground floor with the addition of a mezzanine/first floor which has also been fitted as office accommodation. Access to the building is by way of a pedestrian door to the front elevation which leads into a reception area. There is also a pedestrian fire exit to the rear of the building as well as further fire exits to the front elevation.

The ground floor provides reception area, various offices and training rooms, male and female WCs on both sides of the building, kitchen facilities, plant room and a disabled lift. There are three staircases across the two buildings providing access to the mezzanine/ first floor accommodation with the first floor providing various office and training rooms and kitchen facilities. The roof is fitted with solar PV panels. The property could potentially be put back into two separate units and could be utilised for light industrial use again if the offices were stripped out.

CAR PARKING

There are 22 allocated car parking spaces to the front of the property.

ACCOMMODATION

In accordance with the RICS Code of Measuring Practice, the property has an approximate net internal floor area:-

| | | |
|---------------|---------------------|-----------------------|
