LOCATION

Queen Square is considered to be one of Bristol’s prime office areas situated in the heart of the city centre, offering good access to the inner circuit ringroad, which links Bristol Temple Meads Railway Station.

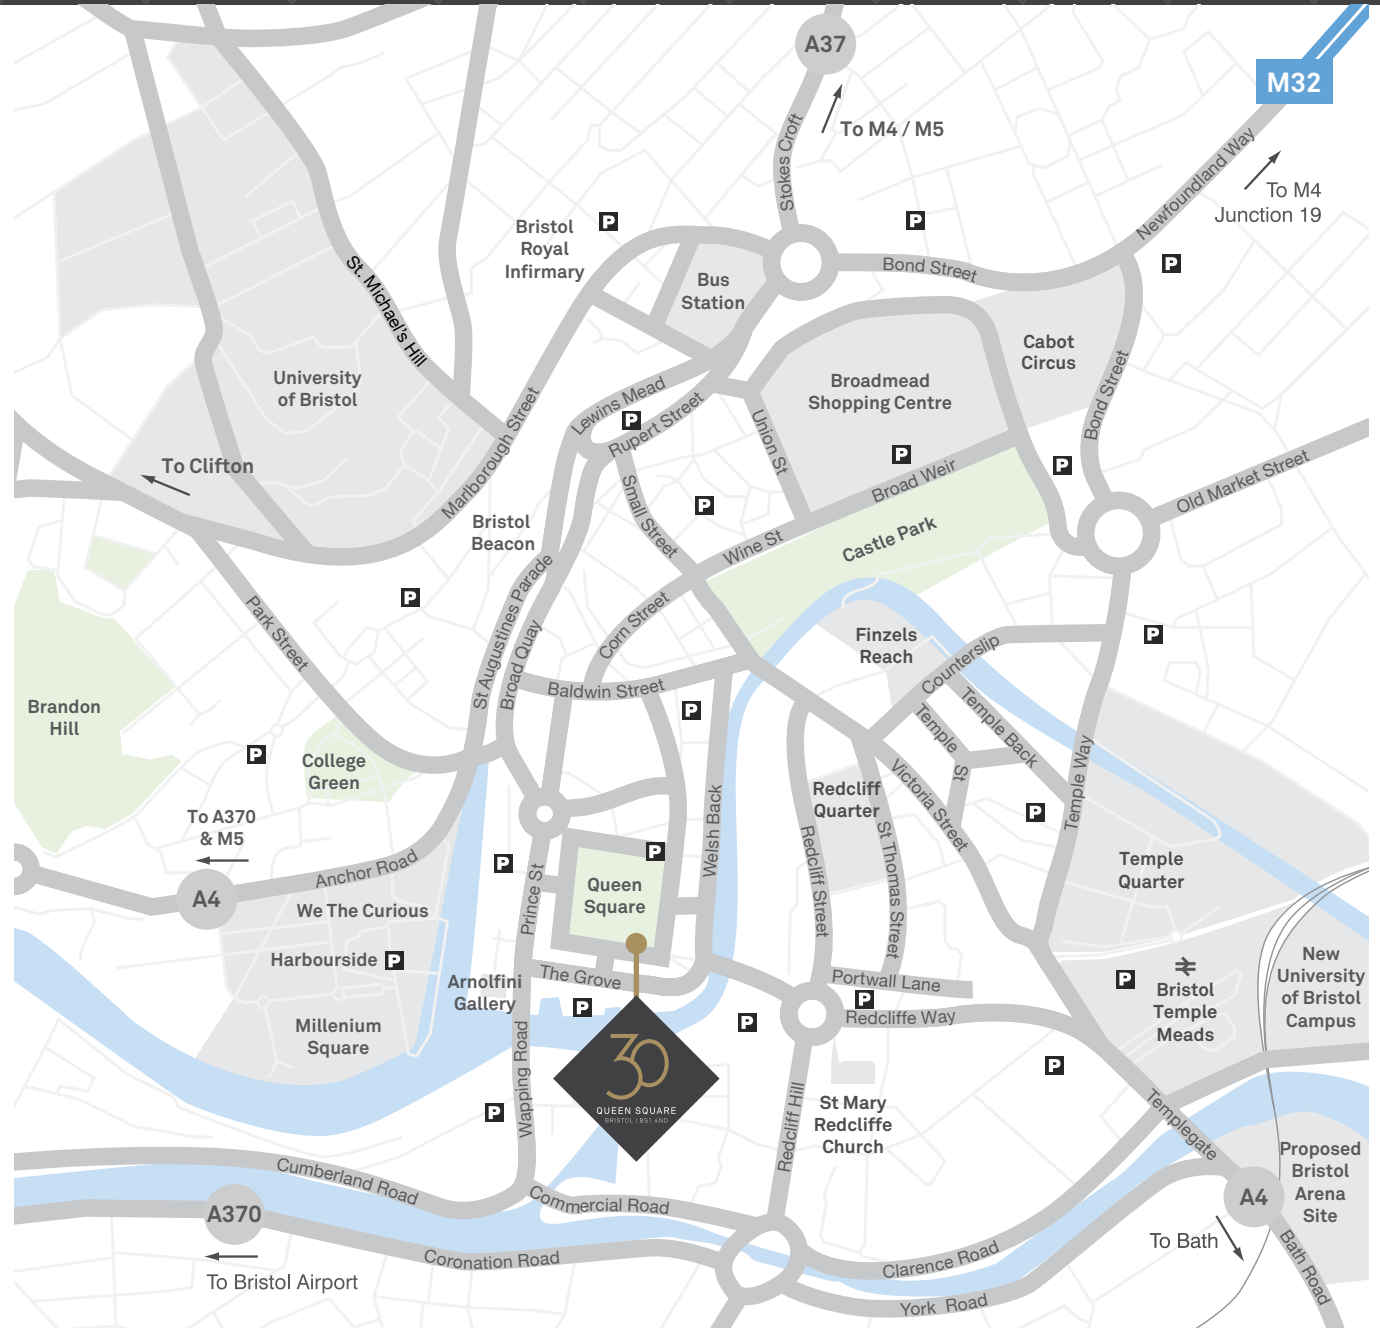

There are a wide variety of amenities close at hand including Broadmead shopping centre, a host of restaurants and public houses in nearby King Street and Bristol’s famous waterfront is within 75 metres. Cabot Circus is also within walking distance.

Queen Square is said to be Europe’s largest Georgian Square, which retains much of its original architectural style and has been greatly enhanced by the re-landscaping of the central square area.

Pay and display visitor car parking is close at hand, together with local NCP car parks.
